ABOARD THE U.S.S.BOXER
Mar. 23,:52

Dear Editor:

Tonight I got my Bylines, and I was glad to hear the news about Brisbane. I am fine, and hope you and your staff are the same. Wednesday we will leave Yokusuka for Korea, where we will have our monthly 4th of July! ---for six more months to come. I am kinda scared, but I guess "who isn't?" aboard the Boxer!

I found Chuck McCary's address in your paper, and I want to thank you for it, because he is one of my buddies. I also want to thank you for the Byline, because I enjoy reading it every time I get it.

Please do me a favor and tell Scotty Hickman (quote) "We'll make mucho points over here in Korea" (unquote).

Must close for now, for I have to "hit the sack". Yours truly,

TONY MURILLO.

SOMEWHERE IN KOREA
March 25:52

Hi, Cal!!

So it has been just a little wet around our old hometown??? Does everyone have web feet and scales by now??? You know Mother Nature is supposed to supply us with protection against the elements --so look closely and give us your diagnosis! The stuff WE have been having here aren't rose petals falling from the sky! We have been pretty lucky, though--it only rains every night, and the sun shines during the day---well, SOMEtimes the sun shines!

Our boys from this area went north to meet the northern division champs for the Olympic Boxing Tourney. I bet they come back with most of the titles! They are all pretty good. So they will all go to Japan for the Far East Championship--and then to the U.S. to become part of the All-Army Olympic Team. They have quite a few fights to go through first--but we can HOPE, can't we???

You know those "teeter-boards" they have in circuses? Well, here little kids about 6 or 7 years old play on them all the time. Just think--I used to pay good money to see such things--and now Uncle Sam pays ME to see it! Of course, I'm not supposed to be standing around watching them, but guard duty gets awfully boring when you are just walking for two hours. So I just take a little break, about an hour and a half, and watch the kids perform their tricks.

Well, kids--that's about all I know to write about now, so guess I'd better close-- As ever,

JIM WRIGHT.

PFC JAMES WRIGHT--U.S.56054497--HQ--3rd L.C. APO 973--c/o P.M. San Francisco, California.

* * * * * * * * * * * * * * * * * *

Well, thanks fellows--for the nice letters. We also got another literary gem from PFC Dave Wilson--giving his new address, which is: PFC. DAVID L. WILSON--RA19-436-432; E. Co. Abn Bn. 1st Stu. Regt. 4th Platoon--Fort Benning, Georgia.

Dave also sent us a cute G.I. story, which we will include with his letter in next week's issue of the BYLINE.

Now----for a bit of good news printed out of the Burlingame Advance this past week---datelined thusly: WASHINGTON, March 31st:--The senate today voted extra "combat pay" of $45 a month for all men and officers who fight in Korea. It was proposed by Senator Moody (Democrat of Michigan) as a "rider" to a bill to grant a "cost-of-living" pay increase to the 3,600,000 persons in the armed services. The senate approved it by an unrecorded standing vote.

It would provide the bonus pay to infantrymen, marines, sailors and their officers who have been under actual enemy fire and are not eligible for other hazard or bonus pay.

Retroactive, the "combat pay" would go to survivors of casualties, to all men who have been wounded or hospitalized in Korea and to those who come under enemy fire at least six days a month in the future....." There now--is THAT good news, or isn't it?

And speaking of GOOD NEWS--did you know that our "adopted son", Don Robertson, is home now, on a thirty day leave from his ship, the U.S.S. REPOSE. If you remember---it was on this hospital ship that our wounded Marine Bob Tann opened his eyes, and there stood Don Robertson, from good old Brisbane! We thought a "hitch" in the Navy would change Don quite a bit--but he's still the same quiet young man who left here some time ago. Welcome home, Don!

If anyone knows Eugene Grogerson's forwarding address, please get it to the Byline office, as his last few issues have been returned to us, unclaimed.

And, according to the Burlingame Advance, San Mateo County youths will enjoy a virtual reprieve from the draft in April with an estimated 14 scheduled to leave for induction from the entire county! And, there probably will be no draft next month if the Bus Strike continues! ---as ever---YE EDITOR

REPORT FROM S.M.CO. RED CROSS:

As of March 28th, the amount donated to the San Mateo County Chapter, American Red Cross, in it's 1952 fund campaign, stood at $90,560.00. Because of the tornado disaster in the South, $5,100.00 has been added to the original 1952 quota of $135,000.00--making a new total of $140,100.00. The national quota has been raised from eighty five million to ninety million dollars.

Mrs. Harry Durand, fund chairman for the local chapter, has announced that the drive has been extended to April 19th. All workers are urged to try to finish solicitation on or before that date. Brisbane residents who have not yet been contacted may make donations through Mrs. Louis Duncan, of 271 Humboldt Road, Brisbane,--phone JUniper 5-1949--as she is the Red Cross chairman for the Brisbane area.

It is absolutely imperative that the Red Cross quota be met this year, both locally and nationally.

REPORT ON TUESDAY'S POLICE MEETING:

An "Open-to-the-Public" meeting was held by Brisbane's Police Commissioners last Tuesday evening, April 1st, at the Brisbane Elementary School.

According to V.V.Gilman, incumbent candidate for the three-year term for Brisbane Police Commissioner election to be held this coming Monday, April 7th, at the American Legion Hall, the question arose at this meeting in regards to the motion made by Commissioner Stone to postpone action on the budget for 10 days or until information could be gotten from the Sheriff's office on what benefit this area would receive by an increase in the present budget. The motion was tabled because Commissioner's Rook and Gilman felt that local taxes were already high enough, and that the March meeting of the Commissioner's ended with an agreement by all three commissioner's agreeing to hold the '52 budget at it's present level.

Speakers at this meeting included the two candidates for the coming election; incumbent V.V.Gilman, and opponent, T. Lehning.

Sheriff's deputy Kreuger, local patrol officer, was introduced to the assembled group, and commended upon the way he has been taking care of his patrol duties here. The announcement of the next Police Commissioner's Meeting will be at a later date, in the Byline.

(Editor's note: for further information in regards to the Police Tax, please see Wednesday evening's Burlingame Advance, under "North County News".)

BYLINE HAS PHONE DELAY:

Our sincerest apologies to those of you who have been trying to reach us by phone for the past three weeks. Please be advised that we definitely WERE in our office, and tending to business--when you thought we were out gadding around! You see, when we moved out of 278 Visitacion on the 15th of March, and into our new quarters at 105 Visitacion---we didn't learn until after we were all moved in that there was some sort of "telephone block" on this building. It has taken us all this time to convince the offices of the District Attorney, the county Sheriff, and the Telephone Company--that little ol' me merely wanted my old phone transferred down here so you good people could call us up occasionally. For three solid weeks we put out a paper without a phone! Oh yes, the phone kept right on ringing, up there in that empty office. But your editor was sitting down here chewing her fingernails clear up to her elbows----no phone! BUT--this morning (Thursday, April 3rd)--the phone company came out bright and early and installed our telephone. NOW---you can call DElaware 3-0232, and expect to GET someone on the line (unless we're out to lunch, or tracking down ads or news items.) Believe us---we were about ready to SUE somebody! But I guess there's a lot of red-tape to this telephone business---in spite of the fact that a person has a very good record, and under no suspicion at all. Seems it was the BUILDING under suspicion--not me! (But I STILL can't understand why the delay on a TRANSFERRED phone--might be different if I had asked for a NEW phone!)

Well, anyhoo---we're all set up for the newspaper business again, and now perhaps a few of you people who can't get down here with news items will call them in to me, as before. Remember, it's DELAWARE 3-0232 for BYLINE news items!

Doubtless the Yarboroughs are also pretty proud of the fact that Jerry also got print mention in the Redwood City competition when Jefferson High was able to pick up 7 of the 11 events, with Al Schenone in the 150 and Jerry Yarborough in the 75 and 330.

OPEN LETTER TO THE CITIZENS OF BRISBANE:

I have entered my name as a candidate for the office of Police Commissioner and as a candidate, I would like to present my viewpoints.

Rumors continue to persist that the residents of Brisbane are not in favor of perpetuating our present Police plan.....that of placing our patrol under the direct supervision of the Sheriff. These rumors I feel certain are not the sentiments of the residents as a whole, but merely the mumblings of a vicious minority who want to steer us back to the old horse and buggy set-up.

Crime trends cannot tolerate our old system of tin badge cops. There must be a united front of professional police who understand crime and techniques of prevention and enforcement. The only way we can have efficient police protection at and LOW TAXATION is to maintain our present system and promote cooperation with all agencies concerned with the protection of our community.

I desire to go on record that my sole purpose to attain office is to keep our taxes down and provide our community with the best in police protection.

I deplore the vile practice of special police appointments where neurotic individuals are given badges and guns to menace the unsuspecting public. Police work and administration belongs in the hands of professionals, not amateurs.

My qualifications are.....

1. Resident property owner and taxpayer of Brisbane since 1935.

2. Police experience---10 years administration and training with the San Francisco Police Reserve.

3. I am not a member, nor am I obligated to any political person or group.

I shall be happy to meet with any person or group of persons to discuss my candidacy. I live at 7 Lehning Way and my telephone number is Juniper 4-7572.

Sincerely,

TED LEHNING.

This action makes Bocci and Becker opponents in the Judgeship race.

* *

YOU MUST REGISTER BY APRIL 10th, 1952, TO BE ABLE TO VOTE IN THE JUNE 3rd PRIMARIES.

OPEN LETTER TO THE CITIZENS OF BRISBANE:

I am again running for the office of Police Commissioner. I have served you for the past three years, and I hope to serve you for the next three years.

Perhaps everything I've done in office hasn't met with the approval of all the people. I will not alibi for them. But I do intend to state here that everything I've done has been with a clear conscience, straight from my heart, and for the GOOD OF BRISBANE.

Our present patrol system, by deputy out of the Sheriff's Office, is very satisfactory, and I will continue to give Sheriff Whitmore every assistance that I can.

I am against raising the present Police Budget of $4294.00 to the full amount allowed by taxation. I will continue to remain against it, until it is proven to me that Brisbane will benefit by the added taxes that such a raise in Budget would entail.

My opponent, Mr. Lehning, stated at the last Brisbane Police meeting, that "he would like to see more harmony in the Police Commission". But, if said harmony can only be obtained by becoming a "Yes Man"--let me say right here, that I am not---and never will be---a "YES" man!!

There has been too much double-talk in the Police Commission--by those who say one thing, and shortly afterwards admit they really were after something entirely different. These types of people have no place on a Police Commission, along with "YES" men!

The amount of the budget was voted and passed at the March meeting of the Police Commission--to maintain the same budget figure as last year's. At the recent April meeting Commissioner Stone asked that the budget be held up for two weeks more, in order that he could obtain information on additional patrol service for Brisbane, for the amount between our present budget and the maximum amount. This motion was not seconded, as it would have increased our taxes. I am obligated to maintain the lowest operating costs and still operate the district efficiently. I was elected by the people of Brisbane, and I do not think much of changing your opinion from one meeting to another!

I am, therefore---asking to be re-elected in order to keep the budget in control, so that the taxes cannot be raised at the present time.

I am asking for your support at the coming election. This is my Platform---FIRST AND ALWAYS---FOR BRISBANE!!

Sincerely your friend,

V. V. (Gil) GILMAN, incumbent.
